INTRODUCTION

Easter is a wonderful time to reflect on the cross and resurrection. It's also a powerful reminder that God's resurrection power is available for every area of our lives. This week, let's talk about God's resurrection power and what Easter shows us about God.

DISCUSSION

1. Read John 6:44. Why is it significant that God "draws us" to Himself? Can we come to God without His draw?
2. In what ways has God drawn you to Himself in your life?
3. Some people think of God as far-off and distant. How is the biblical picture of God different?
4. Pastor Jeff mentioned several ways to know when God is drawing you. Which of these have you experienced in your life, and how? Go through the list:
 - wondering about God
 - someone you love gets saved
 - you feel discontent about life
 - you have multiple encounters with God
 - your pain draws you to God
 - you have a growing desire to come back to God if you've wandered off
5. Read Ephesians 1:19-20. What are some things in your life that God has "raised from the dead" since you've come to know Him?

APPLICATION

Is there an area right now that you need God to bring back to life? What is it?

PRAYER

- Pray for anyone who responded to the application question above.
- Pray that everyone in your group would continue to respond to God's draw and experience His resurrection power.
