WEEK 4 BIG IDEA!
GOD SETS THE LONELY IN FAMILY!

READ: RUTH 1 & PSALM 68:6
DISCUSS:

Milestone Kids are learning all about SPIRITUAL FAMILY this week! God's family is His Church! Not the building where a church service may be held, but God's church is made up of all the people who follow and worship Jesus. When we love Jesus and we follow Him, we become a part of His family which is called Spiritual Family. In Ruth 1 we read a story about a girl named Ruth who stuck my Naomi's side even when she did not have to. Naomi was not Ruth's real mother, but because Naomi had shown so much love to Ruth, Ruth was not willing to ever leave her. We can learn a lot about spiritual family through the story of Ruth and Naomi because of the commitment Ruth made to always stick by Naomi's side. That is what spiritual family does! God places all of us in a spiritual family. Part of being in a family means that there will be challenges. Ruth and Naomi faced challenges but they were able to lean on each other in their time of need. When we are a part of a spiritual family, we can lean one one another when we face challenges and things get hard. When we love Jesus He brings us spiritual family to do life with and that is the best news ever!

FAMILY APPLICATION:

This week, do something kind for someone in your spiritual family. Write them a letter, bring them dinner, or even bake them a sweet treat. Remind them how much you love and care about them!

SCRIPTURE MEMORY VERSE - MATTHEW 13:44

"The kingdom of heaven is like treasure hidden in a field. When a man found it, he hid it again, and then in his joy went and sold all he had and bought that field."
