CELEBRATING 20 YEARS

CELEBRATING 20 years

**A**s we celebrate the 20th anniversary of Milestone Church, I continue to be amazed at what God is doing in and through our church family. We've been a missional church from the very beginning, but as we've grown, together we have been able to do more and more each year to impact the lives of people in significant ways.

Milestone, I'm constantly blown away by your radical generosity and sacrifice to continue to live on mission. Every single week, we have teams of people doing things like serving the elderly, single moms, widows, veterans, families in need, people experiencing homelessness, refugees, and teachers and administrators in our local schools. We also have an outreach every month delivering welcome boxes to families moving into our region—which is one of the most evangelistic things you can do. If you and your family haven't had the chance to serve with us yet, I encourage you to jump in—you won't regret it!

In addition, we have opportunities to be a part of global missions each year. This could look like going on a mission trip, or simply giving to

support missionaries or church plants. Because of your generosity, we continue to support many church plants, both locally and globally.

Behind every event, outreach, and serving opportunity there are countless stories of impact. We believe it's always about the one—that one person who needs to experience the love of Jesus in a tangible way. When we serve, we're not only meeting needs, but we're loving people right where they are. Thank you for modeling how Jesus cared for people in how you serve and care for others.

The last 20 years have been incredible, but we're just getting started! Let's celebrate all that God has done, as we look forward to being a part of all that He's going to do in the years to come.

Milestone, you love people well, and I am honored to be your pastor!

## Gloria

In 2019, Gloria found out she was expecting a child. She was experiencing fear and uncertainty about all the aspects of potentially becoming a single mother. Through the process, she decided to trust God with her pregnancy and raising her daughter. The pregnancy center that was helping her referred her to Milestone Church. She was then connected with Debbie, a member of Milestone who, through the generosity of our church family, put together a baby shower for Gloria and her daughter, to help meet any needs she had. Her daughter was born early, but Debbie insisted on showering her with gifts.

Gloria said the baby shower she received was, “Unlike anything I had experienced. A room full of Christian women who had a heart for God, and a heart for me.” Debbie and the women of Milestone bought her everything she wanted on her registry, even a rocking chair! Roughly a year later, Debbie reached out again, inviting Gloria to Joy, our annual women’s Christmas event. She loved it, and felt God moving through Milestone yet again. Gloria was attending a different church at the time, but felt like God was telling her to step out and look for something new. “I didn’t want to simply feel the love of God, I wanted to show the love of God.” Gloria said. She decided to volunteer for Serve Day. When praying about what project to be a part of, she saw there was a pregnancy center outreach.

**“I wanted to do for someone else what was done for me—to show them there is light at the end of the tunnel, and that God is faithful.”**

That’s exactly what Gloria had the opportunity to do! She gave back in the same way she had received 3 years earlier. Today, Gloria is a member at Milestone, and her daughter Alayna, and son Michael, love coming to church!

# 2ND SAT. *Serve*

On the 2nd Saturday of each month, we have multiple teams serving to benefit our ministry partners and families in need throughout our region.

## REFUGEES

We have opportunities to minister to refugees from multiple countries each month through a children's outreach on 2nd Saturday and food distribution on 4th Saturday. We also host holiday events for refugee families.

## NEW NEIGHBORS

We deliver 150 welcome boxes each month to new families moving into our community. This is one of the most evangelistic opportunities we have through local outreach, and many families have come to faith through this simple act of kindness.

## PEOPLE EXPERIENCING HOMELESSNESS

We provide food and other needed items to those experiencing homelessness each 2nd Saturday, as well as host special events throughout the year like a health fair, holiday events, and several projects on Serve Day.

## COMMUNITY EVENTS

Each 2nd Saturday, we partner with various nonprofit organizations and ministry partners such as Christ's Haven and Community Storehouse to support their efforts to meet local needs.

## SKILLED PROJECTS/ CAMPUS PROJECTS

We have a team of people with various skill sets that work together to assist single moms, widows, and the elderly with home projects. We also work around our campuses to assist with renovation and clean-up efforts.

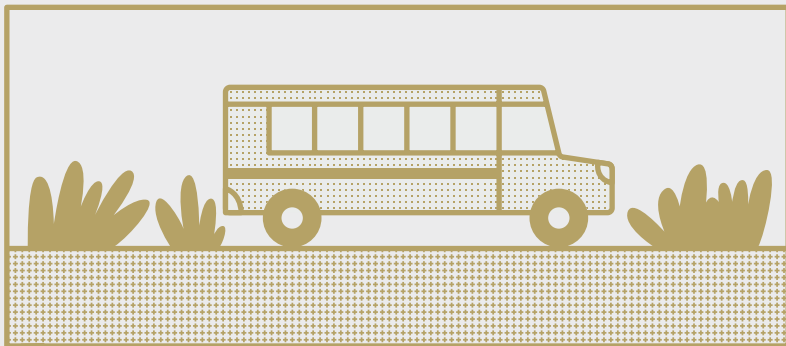

## SENIORS

Every 3rd Thursday, we provide dinner for lower income seniors at Evergreen Senior Center. In addition, we host a Thanksgiving Brunch and Christmas party each year and provide for many of their needs on Serve Day.

## TRAVIS & LANDON

"There is something about serving that helps bring the Word to life. **I didn't want to only model that life for my son, Landon, but let him experience it too, reinforcing 'You don't have to wait to be great.'** We started with Serve Day, then welcome boxes, and now the hospitality/coffee team. These are all relatively simple, yet impactful missions which allow for both of us to serve others and grow spiritually. I've seen it in Landon already. During this last month of serving on the Welcome Box team, we had a ton of new kids there to help serve. I simply turned to Landon and said, 'You know how this all works. Can you be a leader for all these new kids? Show them what needs to be done.' He got right to work."

# LOCAL *Outreach*

## BACK TO SCHOOL

Each year, we host a backpack and school supply drive throughout the month of July and a back-to-school party for single parents and other families in need.

# 200

children were given backpacks and school supplies for the year.

# \$19,500

was given to purchase school supplies and gift cards for families in need.

## TEACHER APPRECIATION WEEKEND

We highly value the role of teachers and administrators, and realize this is a calling, not just a profession. We are significantly increasing our outreach efforts in local schools next year and would love your support! If you'd like to join this team, please sign up for the School Outreach Team on our website for more information.

# Erin's Story

Erin is a principal at Parkview Elementary school, a Title I school in KISD. While attending Joy with a friend in 2021, Erin felt the presence of God and knew she had found a place for her family. Her family has been in church their whole lives, but had never experienced spiritual family until attending Milestone Church. In July, her family walked through the doors of Milestone and were immediately at home. Erin and her husband have attended Discovery 101 and Serve Team 201, and now are in a Small Group and serving on the weekends. To top it all, last month her daughter made the decision to follow Jesus in Milestone Kids! During Teacher Appreciation weekend this year, we were able to meet needs at Erin's school. Thanks to our Milestone family, we gave Parkview Elementary teachers gift cards for supplies in their classrooms, as well as met needs for snacks and other items. Erin said her entire staff was so blessed, and a few teachers who also attend Milestone were so proud of their church family! Erin said, **"I'm so thankful for what you did for my staff. And they truly felt valued by that."** Because of your generosity, Milestone Church, we are able to bless teachers who serve our kids every day.

## THANKSGIVING

We host a Thanksgiving Brunch at Evergreen Senior Residences and the Keller Senior Center. This year we will also provide Thanksgiving meal boxes for lower income families identified through a local elementary school.

Due to these efforts, we will feed over

**400**

families during our Thanksgiving Outreach.

## CHRISTMAS COMPASSION

We have a toy drive throughout the month of November which benefits families in need in our community, as well as refugee children and children who are experiencing homelessness. We also have an Adopt-a-Family program for Milestone families to adopt a single mom, senior, or family experiencing a hardship.

Christmas gifts were provided for

**300**

families, valued at \$39,000.

WE'D LOVE FOR YOU TO SERVE WITH US THROUGH ONE OF OUR MANY LOCAL OUTREACH OPPORTUNITIES AND EVENTS. TO GET MORE INFORMATION AND TO SIGN UP, SCAN THE CODE.

# FAIRY TALE BALL

We host a magical night each fall for families who have children with life-threatening illnesses. We have dinner, princes and princesses, a DJ with dancing, and Cinderella carriage rides. This year was our biggest year yet, with 250 in attendance.

## JAYME & ANNALYNNE

“Annalynne had lab work done last week, 48hr EEG testing tomorrow, and surgery Friday, with therapy 5 days a week, along with doctors appointments weekly with one of her many specialists. That is our daily life. Along with seizures, debilitating common colds, the pain tolerance she builds daily to offset the muscles, and joint soreness from her brain not being able to communicate with her body. Sadly, that’s our normal. **But last night we got to step away from all of that and live in a fairy tale.** Princesses and princes who danced with Annalynne, music and many many children in similar situations were in attendance. It was a magical night! Cinderella even dropped a shoe and got to ride in a carriage. This all happened thanks to HopeKids and Milestone Church who created this event.”

## RAISSA & HER DAUGHTER

“Many years ago, when we joined HopeKids, we didn’t really know what to expect. We knew they put on events for families such as ours (caring for kids with diagnoses, cancers, and life-threatening diseases), but the magnitude of family that we’d feel was nowhere in that initial feeling. Now, we know. We know what family feels like. We know that care and love is in every step of the process. And we know we’re surrounded by others that ‘just get it’. Last night we got to go to our FAVORITE event hosted by HopeKids North Texas and Milestone Church. Fairy Tale Ball is so special to us that I pull the girls out of school early so we can get all princessed up and ready for a magical night. And yes, I wore a princess dress just like my girls. The volunteers, the staff, the attendees—everyone is so happy and joyful that it’s impossible to have a bad night. You’re surrounded by your favorite princes and princesses, fed so well, cared for, and catered to. It feels like you’re the star with people cheering you on, taking pictures, and dancing the night away. **So thank you, from the bottom of our hearts, for continuing this tradition. It meant the world to our family.”**

# Single MOMS & WIDOWS

At Milestone Church, we have a God-given burden to take care of single moms and widows. We not only try to meet practical needs, but provide avenues for spiritual growth and financial health.

## KACIE & PAULA

On Valentine's Day, we had the opportunity to surprise widows in our church with flower arrangements assembled by our Serve Team. Kacie was on the team delivering arrangements, but was unaware of all God had next. Kacie brought flowers to Paula, her 4th grade teacher, who inspired Kacie to be a teacher herself. **"It brought me such joy to bring a smile to her face," Kacie said, and continued, "back in 4th grade she brought a smile to mine every day."** Beyond just meeting a need or doing something kind, God makes a way, through the faithfulness of His church, to bring joy and relationships to the lonely or hurting.

## TERRI & PEYTON

Serving single moms is central to the heart of Milestone Church. Each Mother's Day weekend, we host a special event for single moms who are able to enjoy a meal together, hear an inspiring message, and receive gifts and prizes. There is also a team ready to serve and encourage their children, as well as an opportunity for their students to hear from a panel of other students of single moms. **Terri and her son Peyton attended and encountered the love of God through the generosity and faithfulness of our church family.** During the event, Peyton encountered Jesus and made the decision to give his life to Christ! Plus, Terri won a special prize and gift cards to celebrate all she does as a mom. The faithfulness of our church family makes events like these possible and helped change Terri and Peyton's lives forever!

## ★ HAILEY ★

Hailey is the daughter of Brian and Amy, a family who has faithfully served and been a part of Milestone since 2008. Brian is a veteran, and he and his wife have been actively involved in serving and leading in multiple ways for many years. They have always prayed for Hailey to grab a hold of the same vision for her life and relationship with Jesus. This summer, Hailey was a part of the Next Gen Summer Leadership program, where she learned from pastors and leaders, served her friends and church, and grew in her leadership and relationship with Jesus during her summer break. She also received a scholarship to attend high school camp, where her heart to see her friends meet Jesus came to fruition. **Hailey experienced for herself the life-changing presence of God, and made such amazing friendships and memories through her involvement.** Thanks to your generosity, Milestone, we are able to bless veterans' families and see God work through the lives of students like Hailey!

## ★ STEVE ★

Each year on Serve Day, thousands of Milestone volunteers in red shirts go out to serve our region with the love of Jesus. After visiting Milestone during Easter 2021, Tim and Sheryl decided to participate in Serve Day and joined the skilled projects team. That's where they met Steve—a Vietnam veteran who was in need of a wheelchair ramp in his home. Steve struggled to navigate his own home and even owned a scooter, but had no way to get it out of his home without a ramp. **Tim, Sheryl, and their team jumped right in and met Steve's need after he had given so much for others in his life.** Steve was finally able to leave his home thanks to Tim, Sheryl, and other members of our church family who were willing to give their time and craftsmanship to serve others.
